Mr Connor Campbell will be leaving us at the end of this term to take on a permanent Deputy Principal role at Rangeway Primary School. We wish him all the very best in his new job and thank him for all the work he has done to support students at Wandina Primary School and for his leadership role in Numeracy. We will miss you Mr Campbell. Mr Jeremy Macknay will be replacing Mr Campbell in the year 5/6 class, Jeremy comes to us from Perth and has experience in schools in the South West.

Jemma and Martika will be working together for the first 4 weeks of term. Jemma has experience in early childhood centres and in schools in the Goldfields. Mrs Amber Gratte, also from ECE 3 will be leaving us at the end of this term to have her third baby and Mrs Julie Schwarz will be replacing her in ECE 3 every Friday.

NAIDOC Day

This Friday all students will be involved in a variety of activities to celebrate Aboriginal Culture as part of National Aboriginal and Islander Day of Celebration – NAIDOC Day. Parents are invited to morning tea on Friday in the hall and are then able to visit classes to see what students are learning. Aboriginal culture forms a part of the Australian Curriculum for students and their learning. NCDD-Nationally Consistent Collection of Data

Next term our school will once again be part of the national project for collecting data for students with disabilities, medical needs and/or learning difficulties. We have been asked to provide data about the number of learning needs and medical needs of children at our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and the programs and resources the school uses to overcome barriers and support children with special educational needs will be collected. We believe it is important to contribute to this because it will help Governments and the Department develop better policies that acknowledge the level of resources needed in schools to meet the needs of all students in Western Australia. If you do not want your child/ren to be included, please sign the form that will be sent home this week and return it to the school. If you would like to learn more about the Nationally Consistent Collection of Data for School Students with Disability you can visit the website – deewr.gov.au/students-disability

Term Planner

Please find the term planner on the reverse side of this newsletter, informing you of important dates for next term. The STEM Day is part of Father's day activities on the Friday morning. We also look forward to seeing you all at the Athletics Carnival in week 5.
