

## iPad iPromise

- I will use **two hands** to carry an iPad.
- I will always have clean and dry hands when

using an iPad.

- I will never have food or drinks near an iPad.

- I will never touch someone else's iPad without permission.
- I will be safe, responsible and respectful when using an iPad.
- If I bring my own iPad to school, it will be fully charged each morning.

**I understand that if I break my iPad iPromise,  
there will be a consequence.**
